

		Monday Sept. 1st	Class room	Tuesday Sept. 2nd	Class Room	Wednesday, Sept. 3rd	Class Room	Thursday, Sept. 4th	Class Room	Friday, Sept. 5th	Class Room	Saturday, Sept. 6th Sunday, Sept. 7th
<b>MORNING</b>	From 9h (all the day)	Registration		A1 Silicious rock extraction and prehistoric lithic economies C15-C16 A2b		A01 Technological change during the low-Mid Pleist transition Europe A2d		A02 Contextualizing Schrödinger implications human evolution during the Mid Pleist A9b		A02 Study of the Environ&Landscape&Economic&Social Activities during the UPaleolithic	B24	<b>VISITS ATAPUERCA SITES</b>
	11:00 am 12:30 am	Open Ceremony		A2c What's happening now in Atapuerca? SALON ACTOS ECONOMICAS A21d		A02 Chronostratigraphic data about the Mid to UP Paleoe cultural change in WEurope A3c		A03 Emergence of warrior societies and its economic, soc.&environ consequences A12	A11f	A12 The Role of Art in Prehistoric Societies SALA RUTA JACOBEA		
				A2f Pleist human dispersals: climate, ecology&social behavior SALA PEDRO I B30		A03 A diachronic perspective of human behavioural adaptations to interglacial lakeshore environments during the European Pleistocene to early Holocene A4a		A04 Revolution of 60' Prehistory& Protohistory B03	A14	A14 Water as generator of networks B06		
				A4b The scientific value of 3D archaeology B05	B33	A11 Environmental & cultural develop. during Low & Mid Paleoe Syriian Desert A9c		A06 Initial Cantabrian Magda&question of Magdalenian origins B06	A15f	A15f Education and dissemination strategies in museums and prehistoric Sites SALON ACTOS MUSEO DE EVOLUCION HUMANA (MEH)		
				A5b Azilian on the North European Plain and adjacent areas B24	B34	A12 Archaometry approach. study of networks of trade in raw materials and techno innovations prehistory & protohistory A11b		A07 Late Pleistocene cave art in its context B02	A16	A16 Aegean-Mediterranean imports and influences in the graves from continental Europe-Bronze&Iron Ages B23		
				A6b Management resources &territories Pyrenees from the earliest human occupation to the end of the Protohistory A01	B36	A13 Analysis economic foundations supporting the social supremacy of the Beaker groups A13	A11d	A08 Styles, techniques and graphic expression in rock art B08	A17b	A17b Traceological researches and experimental works SALA PEDRO I		
				A7b Emergence and consequences of technical innovations in America A12	B37	A04 Lithic, Evolution, Science A15b		A09 Management and use of science data from preventive archaeology: quality control JUECES DE CASTILLA	A19	A19 Bifacial tools in the Middle Palaeolithic of western Eurasia A21		
				A8b International relations history of archaeology A11	B38	A14 Advances in the dating of human dispersals, interactions and extinctions in the Palaeolithic. A17a		A10 Recent Trends and Aspects of Use-wear Analysis and their contributing to the Modernization of Archaeology A03	A20	A20 The intellectual and spiritual expressions of non-literate peoples AULA ROMEROS		
				A9a The origins of Upper Palaeolithic in Eurasia A03	B56	SALON ACTOS ECONOMICAS A18b		A11 Post-Palaeolithic flint rock art in Western Europe B25	A21a	A21a Neanderthals on their own terms: new perspectives study of Mid Paleo behaviour SALON ACTOS ECONOMICAS		
				A11c New solutions for old problems: The use of new technologies for the documentation and conservation of prehistoric art A02				A20 The intellectual and spiritual expressions of non-literate peoples AULA ROMEROS	A25e	A25e Dynamics of human and cultural dispersals during the Neolithic transition in Europe: Complex Systems and Prehistory B22		
				A12 Detecting the Landscape(s) - Remote Sensing Techniques from Research to Heritage Management B01				A25c Standing stones and megalithic monuments in context B04	B1	B1 Task distribution in pre- and proto-historic societies A11		
				A13 Quality Management of Cultural Heritage: problems and good practices B02				A29f N-S connections and dis-connections in the prehistory and proto-history Levant SALON ACTOS ECONOMICAS	B9	B9 Staring at the ground: archaeological surveys as a research tool in the early 21st century B02		
				A20 The intellectual and spiritual expressions of non-literate peoples AULA ROMEROS				A26 Southeast Asia: Human Evolution, Dispersals and Adaptation (38) SALA RUTA JACOBEA	B13	B13 Mathematical approaches for the study of Human-Fauna interactions in the Pleistocene B01		
				A22 Origins and evolution of Modern Humans Behaviour: a view from North Africa B04				A28 Paleolithic technology and adaptation in Asia A01	B18	B18 State of the art of the multidisciplinary research at Middle Pleistocene Qesem Cave, Israel A03		
				A24b Coastal adaptation: Assessing past resilient socio-ecological systems S2				B5 New approaches to the study of Quartz lithic industries A23	B24	B24 Innovation in the production and use of equipment in hard animal materials: origins and consequences in prehistoric Palaeolithic to Mesolithic societies B04		
				A25a Materials, Productions, Exchange networks and their impact on the societies of Neolithic Europe B22				B8 Hominid-bird interactions in Prehistory. The humankind and the avian world: archaeological evidence for inferring behavioural evolutionary signatures A24	B48	B48 'To come, to go, to stay': ancient DNA and CN and Sr isotopes analyses as indicators of human relationships during the Holocene B05		
				A25b Current Approaches to Collective Burials in the Late European Prehistory B26				B10 The interglacial Holsteinian eldorado and the onset of the Middle Palaeolithic (400-300 ka) C15	B57	B57 Reconsidering the significance of the Acheulian in Human Evolution A01		
				B2 Biochronology, biostratigraphy and palaeoecology of the European Quaternary (B2POUE) A13				B20 Contexts without definition, definitions without context. Arguments for the characterization of the (Pre)historic realities during the neolithisation of the western mediterranean B26				
				B14 An Archaeology of fuels: social and environmental factors in behavioural strategies of multi-resource management A22				B27 "Megalithic biographies": cycles of use and closure B27				
				B23 Beyond the reduction sequence: new insights in lithic technology B28				B28 Technology and the first agro-pastoral societies: ceramic manufacturing and decoration A22				
				B35 Paleolithic Archaeozoology: Advances on hunter-gatherer's subsistence A21				B39 Paleocanthropological debates on Human Evolution C16				
				B43 Testing social behaviour with novel approaches in the Prehistoric mortuary record of Iberia S4				B51 Reconstructing human mobility in the Palaeolithic: building new frameworks B24				
								B54 Genetic analysis of modern and ancient samples A11				
								B55 Advances in Archaeological Palimpsest Dissection A14				
	12:30 to 14:30	<b>LUNCH</b>					<b>LUNCH</b>					
		<b>FREE EXCURSIONS AROUND BURGOS</b>										

**MORNING**

12:30 - 14:30

9:00 h to 12:30 or 13:30

Towards a new European Prehistory. The decline of the Neolithic and the Rise of the Bronze Age

**FREE EXCURSIONS AROUND BURGOS**

**VISITS ATAPUERCA SITES**

		Monday Sept. 1st	Class Room	Tuesday Sept. 2nd	Class Room	Wednesday Sept. 3rd	Class Room	Thursday, Sept. 4th	Class Room	Friday, Sept. 5th	Class Room	Saturday, Sept.6th Sunday, Sept. 7th		
AFTERNOON	14:30 to 19:30	A2a	The first peopling of Europe	A02 A1	Silicious rock extraction and prehistoric lithic economies	C15-C16 B56	FREE EXCURSIONS AROUND BURGOS	A2e	The Early and Middle Pleistocene succession in the Guadix-Baza Basin (Andalusia, southern Spain): geology, palaeontology, archaeology	A04 A11f	The Role of Art in Prehistoric Societies	SALA RUTA JACOBEA		
		A3f	50 Years of Prähistorische Bronzefunde	B03 A2c	What's happening now in Atapuerca?	SALON ACTOS ECONÓMICAS		A3e	Objects of the dead, offerings from the living: interpreting finds in funerary contexts	A13 A11d	The educational activities of archeology and socialization of knowledge	JUECES DE CASTILLA		
		A4c	Underwater Archaeology	B07 A2f	Pleist human dispersals: climate, ecology&social behavior	SALA PEDRO I		A8a	Lobbying for Archaeology (18 <sup>th</sup> , 21 <sup>st</sup> centuries). Innovative alliances	B25 A19	Bifacial tools in the Middle Palaeolithic of western Eurasia	A21		
		A5a	The Final Palaeolithic of Northern Eurasia	A04 A3b	Transition from Lithic to Metal – appraisal on global changes	S3		A9d	Human settlement of W Europe during the LGM	B22 A21a	Neanderthals on their own terms: new perspectives study of Mid Paleo behaviour	SALON ACTOS ECONÓMICAS		
		A6a	Human occupations in mountain environments	B04 A4b	The scientific value of 3D archaeology	B05		A11d	Styles, techniques and graphic expression in rock art	B08 A27c	The long road to the final transition: Regional dynamics in the western Mediterranean between the end of the LGM and the 8.2 event	B03		
		A10	The Neolithic from the Sahara to the Southern Mediterranean Coast: a review of the most Recent Research	B01 A7c	Climate change and use of animals in South America during the Holocene	B06		A15c	Cultural resources, management, public policy, people's awareness and	JUECES DE CASTILLA B1	Task distribution in pre- and proto-historic societies	A11		
		A11a	The chronology of Palaeolithic cave art: new data, new debates	B02 A9a	The origins of Upper Palaeolithic in Eurasia	A03		A17b	Tracological researches and experimental works	SALA PEDRO I B13	Mathematical approaches for the study of Human-Fauna interactions in the Pleistocene	B01		
		A15a	Archaeological Heritage Policies and Management strategies	JUECES DE CASTILLA A11c	New solutions for old problems: The use of new technologies for the documentation and conservation of prehistoric art	A02		A20	The intellectual and spiritual expressions of non-literate peoples	AULA ROMEROS B15	Social complexity in a long term perspective	B07		
		A17c	Microscopic determination of hafting technology: use-wear and residues	A03 A11e	Public images, private readings: multi-perspective approaches to the post-Palaeolithic rock art	B03		A21c	Movements in and Out for Africa: Assemblage variability and population dynamics in NE Africa&SW Asia MSA and Mid Paleo	B05 B16	State of the art of the multidisciplinary research at Middle Pleistocene Qesem Cave, Israel	A03		
		A18a	Redefining the Postpalaeolithic rock art in the world	A01 A15e	Museum networking in Global communities: experiences in sharing&cooperation in Quaternary&Prehistory Museums	JUECES DE CASTILLA		A24a	Recolonisation or new landscapes: adaptations and change in the Early Holocene	S3 B24	Innovation in the production and use of equipment in hard animal materials: origins and consequences in prehistoric Palaeolithic to Mesolithic societies	B04		
		A25g	Megalithism in the north-west of Iberian Peninsula	B06 A29	The intellectual and spiritual expressions of non-literate peoples	AULA ROMEROS		A25d	Monumentality and territory: relationship between enclosures and necropolis in the European Neolithic	B01 B46	Iron Age communities in Western-central Europe: new approaches to landscape and identity	A14		
		B6	Beyond the stones: Inter-disciplinary approaches to interpreting Palaeolithic Transitions	B24 A21b	Technological change and behavioral variability in the MSA	B08		A25f	N-S connections and dis-connections in the prehistory and proto-history Levant	SALON ACTOS ECONÓMICAS B48	'To come, to go, to stay': ancient DNA and CN and Sr isotopes analyses as indicators of human relationships during the Holocene	B05		
		B17	Shepherds and caves	B05 A25b	Current Approaches to Collective Burials in the Late European Prehistory	B26		A26	Southeast Asia: Human Evolution, Dispersals and Adaptation (38)	SALA RUTA JACOBEA B57	Reconsidering the significance of the Acheulian in Human Evolution	A01		
		B19	Aquatic resource consumption by prehistoric humans	A12 A23h	Domestication of Plants and Animals in the Near East	B07		A27a	Linking Continents: Late hunter-gatherers and early farming communities relationships across the Mediterranean and the Black Sea	S2	17:00 to 18:30 GENERAL ASSEMBLY OF THE UISPP EXECUTIVE COMMITTEE	AULA ROMEROS		
		B22	Premoney currency systems in past societies	S4 B14	An Archaeology of fuels: social and environmental factors in behavioural strategies of multi-resource management	A22		B4	Climate change & social change during Late Holocene in arid and semiarid environments: archaeo&historical perspectives	B28				
		B26	The lithic issues of the Gravettian	B22 B3	Monumental earthen architecture in early societies: technology and power display	B25		B5	New approaches to the study of Quartz lithic industries	A23				
		B42	The adoption of pottery in Prehistory: a functional perspective	B28 B33	Environmental & cultural develop. during Low & Mid Paleo Syrian Desert	A14		B10	The interglacial Holsteinian eldorado and the onset of the Middle Palaeolithic (400-300 ka)	C15				
					B35	Paleolithic Archaeozoology: Advances on hunter-gatherer's subsistence		A21	B25	Looking at the sky, walking on the earth: Climatic changes and historical evolution in the Mesolithic and Neolithic of Western Europe	B07	18:30 to 19:30 CLOSING SESSION OF THE XVII UISPP CONGRESS	AULA MAGNA	
					B37	Lithic, Evolution, Science		A04	B27	'Megalithic biographies': cycles of use and closure	B27			
					B40	Cleaning up a messy Mousterian: how to describe and interpret Late Middle Palaeo chrono-cultural variability Atlantic Europe		B27	B41	Archaeology of the Mesolithic in Europe: the Significance of Fen and Bog Sites	S4			
					B50	Paleoenvironment and early cultural dynamics in the Maya area		S1	B44	Within ditches and walls. Settlements, fortifications, enclosures, monuments, villages and farms in the third Millennium BCE	A21			
					B52	How far is it possible to compare Europe and continental Asia? Focus on Mid Pleistoc. Track record & perspectives		A24						
					B53	The archaeology of early fire use		A23						
		19:30 to 20:30		<u>Lecture</u> <b>Prof. Ya-Mei Hou</b> <i>Key Landmarks in Chinese Palaeolithic Studies</i>		<u>Lecture</u> <b>Prof. Tim Denham</b> <i>Early agriculture in the highland of New Guinea</i>			<u>Opening Lecture to the Public</u> <b>Museo de Evolución Humana</b> <b>Prof. José Luis Lanata</b> <i>La evolución humana en las Américas. Paralelismos globales y particularidades desde el último continente colonizado</i>		<u>Lecture</u> <b>Prof. Lyn Wadley</b> <i>The evolution of complex cognition: case studies from South Africa</i>		<u>Lecture</u> <b>Prof. Évelyne Héyer</b> <i>What can we learn about our past from genetic data?</i>	<b>AULA MAGNA</b>
